Annual Report of

Haynes Library Association.

We herewith submit the eleventh annual report of the library together with the reports of the treasurer and librarian, which sets forth in detail all business which has come before them.

The services of Mrs. Bullock as librarian has, as in years past, given satisfaction to the association.

Of the books, they have in a general way been well used. Some have been rebound. During the past season, the library lot has been graded and seeded to grass, and now we pride ourselves that we have as good a building and lot as any other town of like size.

The association has received as a gift from Miss Clara Haynes of Franklin, a fine, large picture, suitably framed, of her father, the late Clark Haynes, for which the association are thankful. It will be remembered that Mr. Haynes, a native of this town, gave the library association quite a sum of money.

Respectfully submitted,

A. F. CHENEY,

Secretary of Association.
